

POPPING PEAS for the MISSION!

How many peas can you raise with a straw and pop into another bowl in a minute?

This was part of the fun when the mission-minded *Mayfield-ites* (England) undertook to provide amusement for the whole school. The Gym was fairly bursting at the sides with ways and means of making money: Candle Blowing, walking the Crazy Track, a Lucky Dip, Roll a Penny, and Reading Upside Down. The Penny Mile was won by St. Gabriel's House... And £26 went to the Missions!

HOW TO BECOME AN ELECTRON...

1. Send your name, age and address and the one word "Electron" to *Electra*, Convent H.C.J., 10 via Boncompagni, Rome, Italy :

or

Ask your teacher to send your name to *Electra* along with the names of others in your class who wish to join.

2. *Say every day the Electron prayer you will receive.*
3. Offer up one hour every day for the Missions in union with the Mass.
