

Praying with Cornelia

3. Generosity

Cornelia said ...

" To do
anything well
we must do it
with our heart,
for the love of
God, ourselves
and our
neighbour"

" It is a great thing to know what God wants us to do and to be ready to do it generously"

" Generosity,
generosity,
generosity
must be the
beginning and
ending of our
life"

This is what Saint Paul said about generosity

"God loves the one who gives gladly. And God is able to give you more than you will need for yourselves and more than enough for every good thing."

2 Cor 9:7-8

Can you think of a time when someone was generous to you?

Jesus shows us how to be generous. How was he generous to others?

How can I be generous to my friends?

Let us pray

Dear Lord,
Help us to grow in
generosity. Help us to
be willing to reach out
to others and to help
them in their daily lives.
We thank you, Lord, for
all that we have
received in our lives.
We make our prayer in
the name of Jesus.

Amen
