Transcriber's Notes:

The column, "Date and Cause of Death" was eliminated from this transcription as there were no deaths on this passage. The "Location of compartment or space occupied" column was

eliminated by the original lister. Instead, he indicated if the passenger had been in the United States previously.

The original lister numbered the passengers.

An asterisk (*) is used to refer to an item in the transcriber's notes, which further explains the entry.

A question mark (?) is used for letter/letters that cannot be read because of the quality of the document. Where possible a suggestion is given in the Transcriber's Notes of what the letter/letters may be.

A circumflex (^) is used to indicate missing letters in a name or word. The original lister showed this by writing the final letter smaller and raising it above the line.

15 Surname: Rumrill, Rumsill.
41 Surname: Purcell, Purcele.
55 and 56 Ganche, Ganshe.
68 Surname: McNamer, McNamee.
82-87 There is no indication as to whether these passengers were in the United States previously or not. As most are listed as coming from the United States and going to inhabit the United States, we can be certain they were. The only passenger in question would be #86, James Sinclair.
111-113 There is no country of origin indicated.
119 Surname: Ellenwood, Ellmwood.
122 Haffner, Staffner.
140 Kaye, Kuyo.
201 Brunby, Brumby or Brunky.
203 DeCuybis, DeCaybis, DeCuylus, DeCaylus.
