

# AN APPEAL

FOR THE

## SCHOOL BUILDING FUND

CONVENT OF THE HOLY CHILD JESUS

CHEYENNE, WYOMING

**D**URING the past few years, the Sisters of the Holy Child Jesus have realized that it has become imperative to enlarge and develop the Convent Academy and School, and for this reason a committee of business men has been organized to decide on the necessary improvements and to conduct a movement to raise the necessary funds.

**THIS IS** the first time that the Sisters of the Holy Child have made a general appeal to their alumnae and friends. Up to the present time the Sisters have conducted their school and academy solely upon the fees of the students; and so as to keep Catholic education within the reach of all, these fees have been low, and remained so even during the war. The teaching members of the Society have never received compensation, but have willingly given in the past, as they will continue to do in the future, their gratuitous and self-sacrificing services.

**HOWEVER** to keep up with the modern trend of education, more accomodation is sadly needed. A Domestic Science course, business courses in Stenography and Type-writing are now-a-days absolute necessities; but the present school building is already over-crowded and architects who have been consulted have agreed that in view of the age of the building, it would be imprudent to add to it, therefore it has been decided to build an entirely new and up to date High School and Elementary School, this latter being in fact the Catholic parochial school for Cheyenne.

**THE SISTERS** therefore ask you to help personally, and to ask the cooperation of your friends in a cause than which there is none worthier of an enlightened and patriotic citizenship.

**IT IS** only necessary to add that this undertaking has the approval of our beloved Bishop, the Right Reverend P. A. McGovern, D. D.

Sisters of the Holy Child Jesus,
