

*'Let's write and tell them' ...*  
 If only all our African children could write to tell you how much we appreciate your prayers and assistance ...

• **1. Holy Child Burse.** *TO HELP IN THE TRAINING OF A HANDMAID-NOVICE.* The training of a Handmaid costs more than £ 40 (\$ 120) a year. Any sum given toward this amount will aid another African girl to dedicate herself to Christ's work.

• **2. Our Lady's Burse.** *TO KEEP A NEEDY GIRL AT A SECONDARY SCHOOL* costs more than £ 30 (\$ 80) a year. (Several classes in our English and American schools have already pledged themselves to this amount. How many more will do the same?)

• **3. St. Joseph's Burse.** *TO KEEP A BUSH SCHOOL* - that is, the running expenses which the Sisters themselves have to meet - costs much each year. But even £ 20 (\$ 55) for this work would be greatly appreciated for one of the 54 schools under Ifuho, 5 under Calabar, 42 under Afikpo and Ogoja.
